| Speaker | Breakout Title | Breakout Location | Breakout Description |
|--------------------|--|--------------------------------------|--|
| Leslie Billingsley | Single But Not Alone | Center Point (Behind Worship Center) | It's scary to feel alone, especially in today's society. Leslie wants to share that there is a difference between being single, being alone, and feeling lonely. They don't have to be one and the same! |
| Lindsay Halfmann | God's Character, Our Faithfulness | Cabin 4b | Walking in faithfulness can be challenging when the storms of life hit. Knowing God's character is essential so that when trials come, we can remain faithful to the Father. In this breakout, you will learn how knowing God develops the fruit of faithfulness in our lives. |
| LaDonna Weishuhn | God's Goodness Through Trials | Cabin 3 | In the midst of our brokenness and pain, we can still see God's goodness as we abide in Him. |
| Isa English | Palms Up | Cabin 4a | This is my story, with all the emotions to go with it. This is a real-life look at how God has transformed my life and my family's life because I surrendered and said 'Yes' to God. I talk about being faithful even though I don't understand. I talk about the supernatural joy I've been given through this rocky road. I talk about being grateful for all of it. But mostly, I talk about learning to surrender to God's plan and live with palms up. |
| Annie Dueck | Joy in Abiding | Cabin 6 | God knew what He was getting into when He chose you. Your failures, brokenness, insecurities, and sin struggles don't scare Him away. The Master Gardener loves watching things grow, and He delights in your journey. You give God delight and joy! In Him, you will experience all you need to bear good fruit - lots of love, joy, peace, patience, kindness, goodness, faithfulness, and gentleness! Hear a bit of Annie's personal testimony and dig into God's Word to learn what He teaches us about abiding and growing! |
| Michelle Michel | Where Is God? | Poolside Room | God doesn't promise that we'll avoid pain because we follow Him. He doesn't promise we'll escape trauma, abuse, divorce, illness, or death. But He does promise a way up, a way through, or a way out. If we offer these hardships we've experienced to Him, in all of their ugliness, we will receive His offer to redeem all that occurred. He will bring fruit from it. |
| Lauren Jurek | Wrestling with God Through His Word | Cabin 5 | The Bible is where we get to "wrestle" with the heart and mind of God Himself! God named His people Israel. He could have called His people anything - "Apple of My Eye," "Beloved of God," "Best People on Earth," anything! But He chose Israel, which means "wrestles with God." The willingness to wrestle is what God wants from His people. They should be willing to come to the mat and engage with Him; it doesn't have to be pretty. It rarely is. We just have to show up (open His Word) and commit (take our thoughts and questions to Him). In the ring tonight, we have "wrestlers" April Rodriguez and Karen Capper sharing how the Word has influenced their lives. |
| Crystal Jones | Being Thankful Changes Everything | Worship Center Conference Room | We live in a world where it's all about "me" and "mine." We cannot be Christians and think only for ourselves. You will never run the race, you won't carry a legacy, and we will be greatly surprised when we stand before God if we are not thankful. Love doesn't contain selfishness. We have to deny ourselves, pick up our cross, and follow Him, staying thankful through the journey. We will never fulfill what we are on this earth for if we do not know what it means to pick up our cross, deny ourselves, and imitate Christ. |
