

BEST SUMMER EVER

Some of the best family moments happen in the car.

No distractions, no agenda—just time together. Instead of everyone disappearing into screens or simply trying to survive the drive, use these moments to laugh, connect, and have meaningful conversations.

These prompts are simple, fun, intentional, and faith-filled without feeling forced.

Use them on vacation, quick errands, lake days, camp drop-off, late-night snack runs, or anywhere the road takes you.
